

Congratulations to the following 2011 participants in the National Chemistry Olympiad from the DFW Local Section of the ACS!

Alan Zhao from TAMS (teacher - *Dr. Martin Schwartz*) who finished in the High Honors group--one of the top 50 students nationally!

And to two students who finished in the Honors group, which is the next top 100 (top 150 overall):

- **Erik Nguyen** from Paschal HS (teacher - *Mr. Andrew Brinker*), Fort Worth
- **Sagar Parikh** from Plano Senior High School (teacher - *Mrs. Robyn Shipley-Gerko*).
